American Futharch Runes — Official Unicode Correspondences

American Futharch Rune Name	AF Official Rune Shape	Unicode Value	Unicode Official Name
			The following punctuations are commonly used with these runes:
Single Dot	•	U+16EB	RUNIC SINGLE PUNCTUATION
Double Dot	:	U+16EC	RUNIC MULTIPLE PUNCTUATION
Triple Dot	:	U+22EE	VERTICAL ELLIPSIS
Cross	+	U+16ED	RUNIC CROSS PUNCTUATION
			Note that the precise shapes of the runes will vary according to what font you are using, and that variations for most runes have historical precedent. (For instance, curved lines instead of straight lines, and whether the "bowl" of Ooze/ Uruz has two or three strokes, and "internal twigs" on Gem/Stan.) No currently known font implements the ideal shapes exactly.
